

MIAMI BEACH

OFFICE OF THE CITY MANAGER

NO. LTC # 427-2014

LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy L. Morales, City Manager

DATE: December 22, 2014

SUBJECT: **Polo Park Playground Replacement Project**

The Polo Park Playground is scheduled to be replaced during this fiscal year as a Capital Improvement Project. The completion of this project will ensure that the City provides a safe and enjoyable experience for its residents and guests. The project will consist of several phases, which at times, could result in limited park use; however every effort will be made to strategically schedule work around the school calendar and avoid any long term closures.

The initial phase of the project entails the demolition of the handball courts which will take place during the Miami-Dade County Public Schools Winter Recess. Although, only the handball court area will be impacted; playground use could be limited while the work is occurring due to the proximity to the demolition area.

Should you have any questions or would like more information, please contact John Rebar at (305) 763-7730 Ext. 6644.
